

+ Rick and Deann Bayless and the Frontera Grill/Topolobampo team, in partnership with Chris Koetke, Dean of Culinary Arts at Kendall College, the Chicago Public Schools and the Mayor's Office, offer a resounding thanks for helping us provide Mexican-American students the opportunity to attend culinary school. To increase the restaurant's support of culinary education for those who might not be able to afford it, we are adding one dollar to the price of each bottle of wine—a dollar that will go directly to the scholarship fund. Your donation really does make a difference.

Wines listed in green indicate producers which practice biodynamic, organic or sustainable agriculture in their vineyards. You may not recognize some of the wines from our list as we represent many smaller producers making hand-crafted wines. Vintages and wines are subject to availability.
