

Wines listed in green indicate producers practicing biodynamic, organic or sustainable agriculture in their vineyards. You may not recognize some of the wines from our list as we represent many smaller producers making hand-crafted wines. Vintages and wines are subject to availability.

We proudly present Topolovino – specially crafted by our wine director Jill Gubesch in collaboration with winemakers Bob Lindquist winery and Louisa Sawyer Lindquist of Qupé and Verdad wineries.

WINES OF THE VALLE DE GUADALUPE

BAJA CALIFORNIA, MEXICO

2

"I am thrilled to present wines from the Guadalupe Valley! Because they are extremely limited in production, they are nearly impossible to find in the US. Overall, they tend to be lighter-bodied, softer in tannin and more fruit-forward than their counterparts grown in other regions of the world. Wines from this area have a very specific terroir as well, which comes across as a slight salinity on the finish."
