WINE FROM MEXICO

"I am thrilled to present wines from Baja California! They are extremely limited in production, and are nearly impossible to find in the US. Overall, they tend to be lighter-bodied, softer in tannin and more fruit-forward than their counterparts grown in other regions of the world. They come from a very specific terroir, which shows in the savory mineral quality, or slight salinity on the finish."

Jill Gubesch –Wine Director

Baja California

Espumoso
